****

ORDER:

The CSE, in his letter 4th cited, has stated that, Sri. Karumanchi Prasad Babu, Managing Trustee, Old Student Association (Kakumanu Integrated Development Trust) has submitted a representation for construction of a building with sixteen Class rooms for providing infrastructure maintenance support for 10 years and extending support for promoting activities for Students to achieve academic excellence and acquire employable Skills. He has further stated that, the NZPH School, Kakumanu, celebrated Platinum Jubilee recently (16-17 January, 2022) and Alumni of the institution attended from different parts of the country for the celebrations. The old Students Association strongly felt the need to develop the Infrastructure duly upgrading the standards of education currently available in Kakumanu NZPH School to meet the needs of present and future generations of students.

2. He has further stated that, the organization aims to provide high quality and value based education that is on par with the best schools run by the Government and Corporate world in the country. To transform this vision into reality, the Committee visited some of the best schools in the State, deliberated on the feasible course of action, and came to the conclusion of establishing a new building and Infrastructure in this school and many of the old students have come forward to donate the total amount needed for the constructions of building with 16 class rooms, for providing infrastructure and also maintenance support for the initial ten years with an estimated cost of Rs.4,00,00,000/- (Rupees Four crores Only).

3. He has further stated that, the following activities are proposed to be taken up for the improvement of the school and support the students studying in the School.

i. The strengthening and betterment of primary education from the grass roots level by providing special tuitions and relevant support to the primary educational institutions.

ii. Providing suitable infrastructure and increasing the quality of education at the High School level by offering new courses and subjects in accordance with the current technological and educational advancements and to take up with Government to upgrade the High School to High School plus;

iii. To develop primary and pre-primary schools including Anganwadi by providing private teachers to assist in imparting good quality education;

iv. To construct a new building and maintain it for at least 10 years;

v. To Provide private teachers and technical staff to teach the subjects and to continue the tuitions from 4.00 to 6.00 pm in the school premises;

vi. Additional Hours: In visual classrooms, time is set out in the curriculum to teach English grammar and spoken English, as well as arithmetic by private teachers;

vii. Setting up Atal Tinkering Lab for Innovation;

viii. Providing Career Coaching and mentoring for classes 8-10 through experts;

ix. Set up a Software Lab containing the latest Hardware and Software that will cater to the needs of teaching in the fields of Robotics, Artificial Intelligence and Data Sciences, etc;

x. Developing good sports facilities and training to encourage students towards overall growth.

xi. Providing training in soft/language and communication skills to prepare students for bright careers, and

xii. Create a knowledge hub by developing a digital library.

4. The CSE, has stated that, vide G.O. 1st read above, Government have permitted to name the new block in the name of primary donors if the contribution exceeds Rs.300 lakhs. He has further stated that, under Phase-II, Mana Badi Nadu Nedu Programme, an amount of Rs.69.00 lakhs has been provided to this school for other infrastructural developments (Nadu Nedu 10 components) and this activities are being done through the Parent Committees.

5. Government after careful examination of the matter, hereby accord permission to the CSE to take up the above proposed activities with the Kakumanu Integrated Development Trust and also to build a new block with sixteen class rooms in the campus, with an amount of Rs.4,00,00,000/- (Rupees Four Crores Only) besides maintenance of the building for 10 years, with the following manner.

(i) The School Head Master and the teachers working in the school shall work close co-ordination with the Trust and work as a team for the improvement of infrastructure and betterment of the academic Standards of the Students.

(ii) The Trust will enter into the agreement with the District Educational Officer, Guntur and will work in close co-ordination

with High School Head Master , Staff and the Local Mandal Educational Officer. The parents Committee of the High School shall be involved and encouraged to participate in all Major decisions.

(iii) The activities taken up by the Trust shall be in tune with broad policy framework of the Government and existing orders.

(iv) The District Collector, the District Educational Officer and Additional Project Co-ordinator, Guntur District and Trust Members shall ensure that the proposed improvements are taken up in a Smooth and efficient manner.

6. The Commissioner of School Education, shall take further necessary action accordingly, in the matter.
